On March 15, 2017 (the “Record Date”), the Company had issued and outstanding 143,572,689 shares of common stock, par value \$0.01 per share (the “Common Shares”) and 29,166 Series D Preferred Shares, par value \$0.01 per share (the “Series D Preferred Shares” and together with the Common Shares, the “Shares”). A proxy may be revoked by filing with the Secretary of the Company at the Company's principal executive office, 109 Kifissias Avenue and Sina Street, GR 151 24 Marousi, Athens, Greece, a written notice of revocation by a duly executed proxy bearing a later date, or by attending the Meeting and voting in person. If your Shares are held in the name of your broker, bank or other nominee and you intend to vote in person at the Meeting, you must present a legal proxy from your bank, broker or other nominee in order to vote. PROPOSAL ONE

ELECTION OF DIRECTOR

The Company has three directors on the Board of Directors, which is divided into three classes. As provided in the Company's Amended and Restated Articles of Incorporation, each director is elected to serve for a three-year term and until such director's successor is duly elected and qualified, except in the event of his death, resignation, removal or earlier termination of his term of office. The term of our Class A Director expires at the Meeting. Accordingly, the Board of Directors has nominated George Economou, a current Class A Director, for election as Class A Director whose term would expire at the Company's 2020 Annual General Meeting of Shareholders.

Unless the proxy is marked to indicate that such authorization is expressly withheld, the persons named in the enclosed proxy intend to vote the shares authorized thereby FOR the election of the following nominee. It is expected that the nominee will be able to serve, but if the nominee is unavailable, the persons named in the accompanying proxy will vote for the election of a substitute nominee as the current Board of Directors may recommend.

Nominee for Election to the Company's Board of Directors

Information concerning the nominee for director of the Company is set forth below:

<u>Name</u>	<u>Age</u>	<u>Position</u>
George Economou	64	Class A Director

Certain biographical information about the nominee is set forth below.

George Economou has over 30 years of experience in the maritime industry and has served as Chairman and Chief Executive Officer of Dryships Inc. since 2005 and President until 2016. He successfully took the Company public in February 2005, on NASDAQ under the trading symbol: DRYS. Mr. Economou has overseen the Company's growth into one of the largest U.S. listed drybulk company in fleet size and revenue and the third largest Panamax owner in the world. The Company subsequently invested in and developed Ocean Rig UDW Inc., an owner of drilling units involved in ultra-deepwater drilling. Mr. Economou is the Chairman and Chief Executive Officer of Ocean Rig UDW Inc. Mr. Economou is a member of ABS Council, Intertanko Hellenic Shipping Forum and Lloyds Register Hellenic Advisory Committees. Since 2010, he has been a member of the board of directors of Danaos Corporation. Mr. Economou is a graduate of the Massachusetts Institute of Technology and holds both a Bachelor of Science and a Master of Science degree in Naval Architecture and Marine Engineering and a Master of Science in Shipping and Shipbuilding Management.

Required Vote. Approval of Proposal One will require the affirmative vote of a plurality of the votes cast at the Meeting by the holders of the Shares entitled to vote thereon.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE IN FAVOR OF PROPOSAL ONE. UNLESS REVOKED AS PROVIDED ABOVE, PROXIES RECEIVED BY MANAGEMENT WILL BE VOTED IN FAVOR OF THE PROPOSED DIRECTOR UNLESS A CONTRARY VOTE IS SPECIFIED.

PROPOSAL TWO

RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

The Board of Directors is submitting for ratification at the Meeting the appointment of Ernst & Young (Hellas) Certified Auditors Accountants S.A. (“Ernst & Young”), as the Company’s independent auditors for the fiscal year ending December 31, 2017.

Ernst & Young has advised the Company that the firm does not have any direct or indirect financial interest in the Company, nor has such firm had any such interest in connection with the Company during the past three fiscal years other than in its capacity as the Company’s independent auditors.

All services rendered by the independent auditors are subject to review by the audit committee of the Company’s Board of Directors.

Required Vote. Approval of Proposal Two will require the affirmative vote of a majority of the votes cast at the Meeting by the holders of the Shares entitled to vote thereon.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR THE RATIFICATION OF PROPOSAL TWO. UNLESS REVOKED AS PROVIDED ABOVE, PROXIES RECEIVED BY MANAGEMENT WILL BE VOTED IN FAVOR OF SUCH RATIFICATION UNLESS A CONTRARY VOTE IS SPECIFIED.

PROPOSAL THREE

APPROVAL OF ONE OR MORE AMENDMENTS TO THE COMPANY'S AMENDED AND RESTATED ARTICLES OF INCORPORATION TO EFFECT ONE OR MORE REVERSE STOCK SPLITS OF THE COMPANY'S ISSUED COMMON SHARES

General. The Board believes that it is in the best interest of the Company and the shareholders and is hereby soliciting shareholder approval of one or more amendments (each, an "Amendment") to the Company's Amended and Restated Articles of Incorporation to effect one or more reverse stock splits of the Company's issued Common Shares at a ratio of not less than one-for-two and not more than one-for-1000, inclusive, whereby, except as explained below with respect to fractional shares, on the effective date, Common Shares issued immediately prior thereto will be, automatically and without any action on the part of the shareholders, combined, converted and changed into new Common Shares in accordance with the reverse stock split ratio, which shall be determined by the Board of Directors, or any duly constituted committee thereof, in its discretion. If the shareholders approve Proposal Three, the Board, or a duly constituted committee thereof, will have the authority, but not the obligation, in its sole discretion, and without further action on the part of the shareholders, to determine each reverse stock split ratio within the approved range and to effect one or more reverse stocks split by filing an Amendment with the Registrar of Corporations of the Republic of the Marshall Islands at any time after the approval of any such Amendment. If implemented, any such reverse stock split will become effective as of the beginning of the business day after the filing of each Amendment with the Registrar of Corporations of the Republic of the Marshall Islands.

The Board of Directors believes that shareholder approval of an exchange ratio range (rather than an exact exchange ratio) in connection with Proposal Three provides the Board of Directors with maximum flexibility to achieve the purposes of any such reverse stock split that may be effected. If shareholders approve Proposal Three, a reverse stock split will only be effected, if at all, upon a determination by the Board of Directors that a reverse stock split is in the Company's and the shareholders' best interests at that time. In connection with any determination to effect a reverse stock split, the Board of Directors will set the time for such a split and select a specific exchange ratio within the approved range. These determinations will be made by the Board of Directors with the intention to create the greatest marketability of the Company's Common Shares based upon prevailing market conditions at that time. The Board of Directors reserves its right to elect not to proceed, and abandon, any reverse stock split if it determines, in its sole discretion, that implementing such reverse stock split is not in the best interests of the Company and its shareholders.

Purpose. The purpose for seeking approval to effect the reverse stock split is to increase the market price of each Common Share. The Company believes that the increased market price of the Common Shares expected as a result of implementing a reverse stock split will improve the marketability and liquidity of the Common Shares and will encourage interest and trading in the Common Shares. In addition, the Company believes that effecting one or more reverse stock splits will help to maintain compliance with the minimum bid price of \$1.00 per share listing that is a requirement to maintain the listing on the Company's Common Shares on the NASDAQ Capital Market. In July 2016, the Company received written notification from the NASDAQ Stock Market indicating that because the closing bid price of the Company's Common Shares was below \$1.00 per share for 30 consecutive business days, the Company no longer met the minimum bid price requirement for the Nasdaq Capital Market. On August 15, 2016, October 31, 2016 and January 23, 2017, the Company effected a 1:4, 1:15 and 1:8 reverse stock split, respectively, to, among other things, cause the Common Shares to trade above the minimum bid price requirement of the NASDAQ Capital Market. As of the date hereof, the Company is in compliance with the minimum bid price requirement.

The Company and the Board of Directors believe that maintaining the listing of the Common Shares on the NASDAQ Capital Market is in the best interest of the Company and its shareholders and therefore proposes to undertake one or more reverse stock splits to cause the Common Shares to remain trading above the minimum bid price requirement of the NASDAQ Capital Market.

The Board of Directors intends to effect one or more reverse stock splits in connection with Proposal Three only if it believes that a decrease in the number of Common Shares outstanding is likely to improve the trading price for the Company's Common Shares, and only if the implementation of a reverse stock split is determined by the Board of Directors to be in the best interests of the Company and its shareholders. There can be no assurance that any reverse stock split, if and when implemented, will achieve any of the desired results. There also can be no assurance that the Company will be successful in maintaining compliance with NASDAQ Capital Market requirements or that the price per share of the Company's Common Shares immediately after any such reverse stock split, if implemented, will increase proportionately with any reverse stock split, or that any increase will be sustained for any period of time.

Fractional Shares. No fractional Common Shares will be created or issued in connection with the reverse stock split. Shareholders of record who otherwise would be entitled to receive fractional Common Shares as a consequence of the reverse stock split will be entitled, upon surrender to the exchange agent of certificates representing such Common Shares or, in the case of non-certificated Common Shares, such proof of ownership as required by the exchange agent, to a cash payment in lieu thereof at a price equal to the fraction to which the shareholder would otherwise be entitled multiplied by the closing price of the Common Shares on the NASDAQ Capital Market on the last trading day prior to the effective date of the reverse stock split, as adjusted for the reverse stock split as appropriate or, if such price is not available, a price to be determined by our Board of Directors. The ownership of a fractional interest will not give the holder thereof any voting, dividend or other rights except to receive payment therefore as described herein.

Authorized Common Shares and Par Value. The reverse stock split will not result in a change in the number of authorized Common Shares or par value of the Common Shares. Because the Company's authorized number of Common Shares, which is currently 1,000,000,000 Common Shares under the Company's Amended and Restated Articles of Incorporation, will not decrease in accordance with the reverse stock split ratio, the reverse stock split would provide the Company with additional Common Shares, which would be available for issuance from time to time for corporate purposes such as acquisitions of companies or assets, sales of stock or securities convertible into Common Shares and raising additional capital.

Material U.S. Federal Income Tax Consequences. The following is a summary of the material U.S. federal income tax consequences of the reverse stock split to U.S. Holders (as defined below) of our Common Shares. This summary is based on the Internal Revenue Code of 1986, as amended (the "Code"), the Treasury regulations promulgated thereunder, and administrative rulings and court decisions in effect as of the date of this proxy statement, all of which may be subject to change, possibly with retroactive effect. This summary only addresses holders who hold their shares as capital assets within the meaning of the Code and does not address all aspects of U.S. federal income taxation that may be relevant to U.S. Holders subject to special tax treatment, such as financial institutions, dealers in securities, insurance companies, regulated investment companies, persons that own shares as part of a hedge, straddle, or conversion transaction, persons whose functional currency is not the U.S. dollar, foreign persons and tax-exempt entities. In addition, this summary does not consider the effects of any applicable state, local, foreign or other tax laws and does not address the U.S. federal income tax consequences of the reverse stock split to persons who are not U.S. Holders.

As used herein, the term “U.S. Holder” means a beneficial owner of common stock that is a U.S. citizen or resident, U.S. corporation or other U.S. entity taxable as a corporation, an estate the income of which is subject to U.S. federal income taxation regardless of its source, or a trust if a court within the United States is able to exercise primary jurisdiction over the administration of the trust and one or more U.S. persons have the authority to control all substantial decisions of the trust.

If a partnership holds our Common Shares, the tax treatment of a partner will generally depend upon the status of the partner and upon the activities of the partnership. If you are a partner in a partnership holding our Common Shares, you are encouraged to consult your tax advisor.

We have not sought and will not seek any ruling from the Internal Revenue Service (the “IRS”), or an opinion from counsel with respect to the U.S. federal income tax consequences discussed below. There can be no assurance that the tax consequences discussed below would be accepted by the IRS or a court. The authorities on which this summary is based are subject to various interpretations, and it is therefore possible that the U.S. federal income tax treatment may differ from the treatment described below.

We urge holders to consult with their own tax advisors as to any U.S. federal, state, or local or foreign tax consequences applicable to them that could result from the reverse stock split.

The reverse stock split is intended to constitute a “reorganization” within the meaning of Section 368 of the Code and is not intended to be part of a plan to increase periodically a shareholder’s proportionate interest in our earnings and profits. Assuming the reverse stock split so qualifies,

- A U.S. Holder should not recognize any gain or loss for federal income tax purposes (except for cash, if any, received in lieu of a fractional Common Share);
- The U.S. Holder’s aggregate tax basis of the common stock received pursuant to the reverse stock split, including any fractional Common Share not actually received, should be equal to the aggregate tax basis of such holder’s Common Share surrendered in the exchange;
- The U.S. Holder’s holding period for the Common Shares received pursuant to the reverse stock split should include such holder’s holding period for the Common Shares surrendered in the exchange; and
- Cash payments received by the U.S. Holder for a fractional Common Share generally should be treated as if such fractional share had been issued pursuant to the reverse stock split and then redeemed by us, and such U.S. Holder generally should recognize capital gain or loss with respect to such payment, measured by the difference between the amount of cash received and such U.S. Holder’s tax basis in such fractional share. However, in certain circumstances, it is possible that the cash received in lieu of a fractional share could be characterized as a dividend for such purposes. U.S. Holders are encouraged to consult their tax adviser on the treatment of the receipt of cash in lieu of fractional shares in their specific situation.

U.S. Holders will be required to provide their social security or other taxpayer identification numbers (or, in some instances, additional information) to the transfer agent in connection with the reverse stock split to avoid backup withholding requirements that might otherwise apply. This information is generally provided on IRS Form W-9. The letter of transmittal will require each U.S. Holder to deliver such information when the common stock certificates are surrendered following the

effective date of the reverse stock split. Failure to provide such information may result in backup withholding at a rate of 28%.

THE FOREGOING IS A SUMMARY OF THE MATERIAL U.S. FEDERAL INCOME TAX CONSEQUENCES OF THE REVERSE STOCK SPLIT TO U.S. HOLDERS UNDER CURRENT LAW AND IS FOR GENERAL INFORMATION ONLY. THE FOREGOING DOES NOT PURPORT TO ADDRESS ALL U.S. FEDERAL INCOME TAX CONSEQUENCES OR TAX CONSEQUENCES THAT MAY ARISE UNDER THE TAX LAWS OF OTHER JURISDICTIONS OR THAT MAY ARISE UNDER THE TAX LAWS OF OTHER JURISDICTIONS OR THAT MAY APPLY TO PARTICULAR CATEGORIES OF SHAREHOLDERS. YOU ARE ENCOURAGED TO CONSULT YOUR OWN TAX ADVISOR AS TO THE PARTICULAR TAX CONSEQUENCES OF THE REVERSE STOCK SPLIT TO YOU, INCLUDING THE APPLICATION OF U.S. FEDERAL, STATE, LOCAL AND FOREIGN TAX LAWS, AND THE EFFECT OF POSSIBLE CHANGES IN TAX LAWS THAT MAY AFFECT THE TAX CONSEQUENCES DESCRIBED ABOVE.

Procedures for Effecting Reverse Stock Split. As soon as practicable after the effective date of the reverse stock split, the Company's shareholders will be notified that the reverse stock split has been effected. The Company expects that its transfer agent, American Stock Transfer & Trust Company, LLC, will act as exchange agent for purposes of implementing the exchange of share certificates. Holders of pre-split Common Shares will be asked to surrender to the exchange agent certificates representing pre-split Common Shares in exchange for certificates representing post-split Common Shares or, in the case of holders of non-certificated shares, such proof of ownership as required by the exchange agent, in accordance with the procedures to be set forth in a letter of transmittal the Company will send to its registered shareholders. No new certificates will be issued to a shareholder until such shareholder has surrendered such shareholder's outstanding share certificate(s) together with the properly completed and executed letter of transmittal to the exchange agent. Any pre-split Common Shares submitted for transfer, whether pursuant to a sale or other disposition, or otherwise, will automatically be exchanged for post-split Common Shares. SHAREHOLDERS SHOULD NOT DESTROY ANY SHARE CERTIFICATE(S) AND SHOULD NOT SUBMIT ANY CERTIFICATE(S) UNTIL REQUESTED TO DO SO.

Upon the effectiveness of the reverse stock split, the Company intends to treat Common Shares held by shareholders in "street name" through a bank, broker or other nominee in the same manner as registered shareholders whose Common Shares are registered in their names. Banks, brokers or other nominees will be instructed to effect the reverse stock split for their beneficial holders holding Common Shares in "street name." However, these banks, brokers or other nominees may have different procedures from those that apply to registered shareholders for processing the reverse stock split and making payment for fractional shares. If a shareholder holds Common Shares with a bank, broker or other nominee and has any questions in this regard, shareholders are encouraged to contact their bank, broker or other nominee.

Required Vote. Approval of Proposal Three will require the affirmative of a majority of the voting power of the total number of Shares issued and outstanding and entitled to vote at the Meeting.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR PROPOSAL THREE. UNLESS REVOKED AS PROVIDED ABOVE, PROXIES RECEIVED BY MANAGEMENT WILL BE VOTED IN FAVOR OF SUCH APPROVAL UNLESS A CONTRARY VOTE IS SPECIFIED.

EFFECT OF ABSTENTIONS

Abstentions will not be counted in determining whether Proposals One or Two have been approved and will have the effect of voting AGAINST Proposal Three.

OTHER MATTERS

No other matters are expected to be presented for action at the Meeting. Should any additional matter come before the Meeting, it is intended that proxies in the accompanying form will be voted in accordance with the judgment of the person or persons named in the proxy.
